You have the option of arriving Friday night, after dinner, or Saturday morning at 10:00 am. We will be providing menu items that comply with the GF/CF and/or Feingold diet if requested. If you have special dietary concerns, please advise us in advance.
- Children must be supervised by a parent/guardian at all times. Fun activities planned by staff are structured with the intention of parents participating with their children.

Specialty activities such as archery, riflery, and bouldering will be supervised by trained staff and are available at scheduled times. Technically challenging hikes, such as Rainbow Falls will also be led by trained staff. All activities are optional and families are welcome to explore the waterfront or enjoy a leisurely hike around camp.
- Participants with a financial need are encouraged to apply for scholarships for any portion of the program fee that is not affordable. The YMCA uses a sliding scale to evaluate each applicant on an individual basis. Let us know your need, and we will work to help you.
- Thanks for your interest, and we look forward to seeing you at Camp!
